

THE RIDING STABLES

RANCHO SANTANA

Experience pristine beaches, local flora & fauna and an old-world era with oxen-drawn carts, wild horses, grazing cattle, and local fishermen log-rolling colorful pangas (boats) out to sea. We have horses for every level to enjoy, from beginner to professional. All adventures are accompanied by a Spanish speaking horse-trainer(s) and each reserved group is private, even for just one person. An English speaking person may be requested to accompany, if available.
