Body Treatments

Citrus & Salt

Salt is a natural detoxifier, and when used as a body scrub it removes toxins from the skin while reducing fluid retention and increasing circulation. This sea salt scrub gently exfoliates skin, while nourishing the skin with nutrients and trace minerals, as well as a silky smooth feel. *Our sea salt is sourced locally from neighboring salt farms in our community.*

Café Cleanse

Nourish your skin with finely ground Nicaraguan coffee, coupled with organic coconut oil for an ultra aromatic body exfoliation. Coffee protects the skin from premature aging and reduces swelling and cellulite with its potent antioxidant qualities. *Our coconut oil is locally sourced from the Caribbean Islands of Nicaragua.*

Brown Sugar Bliss

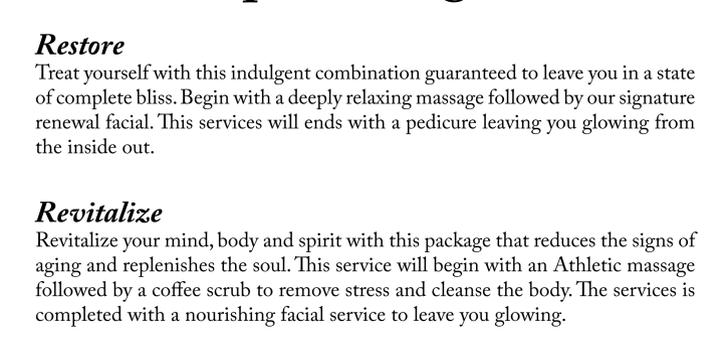

Sugar contains glycolic acid, an alpha-hydroxy acid that is crucial for maintaining healthy skin. Both cleansing and moisturizing, this scrub will leave your skin balanced and refreshed. *Includes Nicaraguan sugar, coconut oil, and honey.*

Coconut Cocoon

Hardworking yet gentle, this deeply hydrating body scrub is perfect for soothing overly sunned skin. This treatment will leave you glowing and refreshed. *Coconut oil, rich in many proteins, contributes to cellular and tissue repair.*

Volcanic Detox

Experience the ancient technique of dry brushing, an Ayurvedic therapy that stimulates the lymphatic system while exfoliating and cleansing the body. This gentle technique is coupled with a volcanic mud body mask to further the detoxification process.
